

Westwinds Member Referral Program

Commencing in the 2017/2018 season, Westwinds will provide a rebate in an amount to be established at the discretion of the Westwinds Executive to any existing member for each new member they refer to Westwinds Music Society at the beginning of any program year. The provision of a member referral rebate is contingent upon the new member remaining in Westwinds Music Society as a fully paid, participating member for at least one full program year. Therefore, the existing member will receive their rebate from Westwinds Music Society on or before May 31st of the program year in which the new member is referred to Westwinds Music Society.

The following definitions apply to the Westwinds Member Referral Program:

“Rebate” refers to a payment from Westwinds Music Society by cheque to the existing member.

“Program Year” refers to the period beginning no later than the latest withdrawal date for registrations, usually occurring on September 30th each year, and ending on the final Westwinds rehearsal date before summer recess, usually occurring in early May of the following year.
